PROFESSIONAL SUMMARY

Innovative and driven full-stack developer with a dynamic background in UI/UX design, software engineering, and digital strategy. Adept in both front-end and back-end development, I specialize in creating scalable, user-centric applications. Passionate about leveraging technology to solve real-world problems and committed to continuous learning through hands-on projects.

EDUCATION

Advanced Web Development – Udemy (In Progress, 2025)

Introduction to Software Development – University of Limpopo &

University of the Western Cape (Apr 2024 – Mar 2025)

Digital Literacy & Media Facilitation – NEMISA (2021)

Computer Literacy & Office Systems – Dipalo School of ICT (2014 – 2015)

PROJECTS

Hyka E-Hailing App – Hackathon Runner-Up (2024): Co-developed a ride-sharing app tailored to underserved communities.

Responsive Web Projects: Designed and developed modern websites for NGOs and small businesses.

EXPERIENCE

Project Manager & Developer – Community Connect App (2024–2025):

Directed a team in developing a real-time safety and reporting app.

Radio Host & Producer – Vuwani FM (2023): Produced and hosted weekly programs focused on community issues.

Freelance Designer & Publisher (2019–Present): Created book covers, visual branding, and digital content.

Digital Skills Facilitator – NEMISA (2021–2024): Delivered training on digital literacy across diverse communities.
